Extremely correct bull with super display of muscling, bone, volume, and depth of rib. This exciting young sire brings the best of his very proven sire, Hi Def U08 to the forefront. For years his heifers have been some of the most highly sought-after females in the breed. Their stoutness, correctness, performance, and maternal ability has enabled his long tenure in the program. Hi Def's dam was a very heavy milking Smooth Deal daughter, (He was a former AICA Milk Trait Leader). With Lynyrd's dam being a daughter of a current AICA Milk Trait leader, Cooley Royce, you can feel assured of the maternal ability of this outstanding herd sire's ability. His superb weaning weight also reinforces the ability of the Hi Def's to wean heavy, market topping calves!

Skynyrd has that same massive muscle structure, good bone, disposition, and ultimate volume for easy-fleshing ability. Also out of a Royce daughter, you can analyze mating for consistency and "like-pattern" for the uniformity of these two ¾ sibs. His light birth weight along with a superior weaning weight means a very profitable genetic package for any rancher. He has a rich pedigree going back on the dam side, the LHD Ms Promise Z327, is one of the first cows DeBruycker flushed. She the dam of several high selling females, including ones for Morley, Lehman, and Arlitt. Morley used a son of Z327 and Cigar that did a fabulous job. The N676 is an Ali Mark daughter out of the Z327 cow.

**Selling one-half interest and possession is flexible, or buyer can double price and take full interest and full possession.**

This powerful prospect is a maternal sib to the high selling bull in the 2017 Gathering Sale, HF Remedy EZ433, at \$10,000 going to Plyler & Son, Bowen Farms and Morrison Charolais. This heifer definitely shows promise as a donor cow with the solid credentials and performance she exhibits. One of our junior herd sires, HF Snake Charmer CS433, dam is SJ433, she is out of the JB433 cow, who is also the dam of Fantasy's dam, XJ433. Great cow families always rise to the top with the best progenies, year after year! Her younger photo shows a very fast-growing heifer with excellent bone, superb length and stretch. As she is starting to mature more after weaning, she is developing plenty of volume, depth, and rib shape with an excellent top line! Hudspeth are willing to work with new owner on possession. They have an excellent relationship with their embryologist and can keep the heifer and flush for both, while working with new buyer on sires.

HF FANTASY FX433

A beautiful combination of Maximo on Royce daughters that is "nicking" so well in our program. She has the great calving ease and birth weight numbers that Maximo is earning as a great heifer calving bull reputation with superior growth afterwards. This heifer will have abundant milking ability along with a very quality udder. Her Cigar influence adds extra credibility to her lineage.

Another top Maximo with strong background. The Joe's Promise is a son of Cigar out of the Z327 donor cow for DeBrycker and Morley. Maximo's dam recently sold for \$27,000 to Frankie Holloway, KS showing the strong demand for quality genetics that have proven their ability. A maternal sister is in Brittany Pakieser's herd and another is in the Knight Land & Cattle Co. herd. A top producing cow family.

This is a very exciting offering as the 54T cow is the dominant cow family in the herd! Every calf has been an awesome, top-of-the-line prospect that has gone on to great accomplishments. She has a great calving record and Arlitt's have a daughter in their herd. She descends from the Astro Mark donor cow that produced some of the best offspring with many tracing to her lineage as well! Another top profiling heifer with extra dimensions all around. You can mark this as a definite, take home front pasture addition!

Special line-bred heifer with the influence of Ms Duke 34, one of the premier donor cows for Rick Evans, and the dam of Hudspeth exciting new sire, HF Fandango B34 ET. Fandango's dam is a full sib to RE Dutchess 551 ET. A good calving interval on her dam for maximum profitability. Think of the explosive genetics you would obtain by breeding to Pegasus!

This statuesque heifer has more stretch and growth. E18 was the 2nd high selling cow in the first Sale of Excellence at \$10,000. She produced the L50 calving ease bull for Rick Evans that worked extremely well and produced great daughters. You will be hearing a lot more about the Fandango bull, maybe one of the best-looking Duke 914 sons in the breed. The Cobb influence of ABC Leader was used very successfully in many herds.

A magnificent heifer by a top Royce son that is doing a tremendous job. Dam is one of those great open females by Hi Def that descends from Cody Runft and Andrew Doub's donor, 9013, a Wyoming Wind cow bred by Gary Biggs. A Cigar daughter from 9013 was purchased by Stormie Acres in the 2017 Spirit of Bluegrass Sale. She will be a great producer with +13 Milk EPD.

Choice of Brangus cross or a PB Charolais recip due 11/2/18 with B2011 and JDJ Maximo A18 P.

Neither recip will be at the sale. There are several choices of each Recip matings. You can be sure to choose one with a heifer calf if you want to wait. The Evans' guarantee you will be happy with the selection or full refund! We're only selling one Choice. B2011 is the 2017 "Pick of DeBruycker herd" from the 2017 Sale of Excellence. She is a daughter of the legendary JDJ Ms Spur R120, the dam of JDJ True Mark T39 (the sire of BHD Zeus X3021,) JDJ Resource Z365 P and JDJ Duplicity Y420. She has a fantastic udder structure and quality. Her dam, R120, may be one of the best 5 cows ever in the DeBruycker herd. Notice R120 is out of a Smokester cow! Selection must take place by January 1, 2019.

**BW: 90 lbs. Sells Open.**

You will love the stout appearance of Bell; she is thick, good bone, solid construction and beefy looking! Yet she possesses the femininity you require in a top brood cow prospect. She ranks in the top 15% Milk EPDs, top 7% MTL, and 4% for REA for the breed numbers. This pedigree would include some of the most relevant in the breed today.

**BW: 85 lbs. Sells Open.**

A very thick, deep-bodied, easy-fleshing heifer from a royal background. Rhinestone has been very successful in siring winning offspring in the showing. Y150 was a "Pick of the DeBruycker Herd" for Double-H and North Grove, from the Sale of Excellence. A tremendous Smokester daughter with his classic great udder quality and eye-appeal.

**Bred AI to WIA Conely Insider D9 P on 2.1.18, due 11.10.18.**  
 This exciting Y150 daughter may be one of the best we've ever raised! She is so correct, ultimately feminine, with superior udder quality and loaded with style! She has clean lines, long, angular neck, and strong top with plenty of volume and thickness. Her calf will be one of the most exciting calves to be born this fall! Think of all the marketing potential!

**Sells safe in calf with embryo mating of RBM Fargo Y111 x Double-H TLC Marion 0429; due 3.14.19.** A good milking recip by Bluegrass will ensure this calf gets a great advantage in growth and development. The Marion cow family has had a major influence on the breed and this is a great opportunity to share in one of the best in the breed. John Downs paid \$20,000 for Marion in the AICA National Sale, and we purchased her back last year in the Southern Dispersal sale.

*Est.* This cow does everything and more for you. An easy keeping cow, excellent udder quality, and tremendously good disposition. She ranks in the top 20 % in almost every category for a very uniform productivity. If your looking to excel your program, this great lady will work, especially with the mating to the exciting Fargo!

Super exciting mating from Sullivan's \$16,000 high selling cow in the inaugural Spirit of Bluegrass Sale last year going to Josh French. These Smokester sired embryos should provide some of the best females ever in the breed for strong maternal power. X292 has a gorgeous udder quality and Smokester sets the standards for udder quality in the breed.

We will draw for 10 units of semen on DC/JDJ Pegasus D3330 P. Semen will be at the sale, so bring your sementank. You must be present to win. Winners will be responsible for signing fees.

This was the second high selling bull in the 2018 DeBrycker Bull Sale. This superb son of the legendary BHD Zeus X3041 is taking a bold step into the future of Hudspeth Farms. He ranks in top 2% for WW and YW EPDs, top 25% for MTL, top 2% for CW, 15% for REA and Fat, and top 2% TSI. We are offering breeding privileges to this new sire for all Hudspeth females in the sale!
